

## **Student Information El (Ref. AB4)**

This family is a victim of the earthquake as well as being a family who are not well off (poor). Their house was damaged by the earthquake and is now in the process of being repaired. The head of the family is a farmer and his wife doesn't work so with the help of the BEATS FOUNDATION in the United Kingdom they are very grateful for being able to help ease their burden, especially for the future of their child. We as a family can only pray, Lord Jesus is the only one who repays all the kindness that has been given to us... THANK YOU.
